SCHOOL WELFARE & DISCIPLINE POLICY

INTRODUCTION
Condobolin High School takes great pride in working to provide an environment where positive relationships can assist in the development of our students.

Our Welfare and Discipline Policy is set out clearly to inform students, parents staff and the community what is expected and how our school provides structures to support these expectations.

Please read the following information and contact the Principal if you have any concerns.

RATIONALE
The philosophy behind the Step system at Condobolin High School is that we encourage the development of a happy, safe and positive learning environment for all students. Students will experience success and recognition. This system recognises achievement, effort, service and participation, through merit and demerit Steps which function in parallel. One is not dependent on the other.

The policy emphasises the value of appropriate behaviour by students. The student Welfare Committee, comprises the Head Teacher Welfare (Chairperson), Deputy Principal, Year Advisors, Learning and Support Teacher (LAST), the School Counsellor and any other staff who wish to meet and discuss a wide range of student welfare issues.

AIM
The aim of the system is to allow teachers the flexibility to manage their own classrooms within a framework. This will enable a consistent approach to a school wide welfare system with the purpose of encouraging students to achieve their potential in all areas of their schooling.

Teachers should develop a clear and consistent approach to student management. In this parallel system it is possible for a student to be on a positive and demerit Step at the same time. It should be emphasised one error of judgement by a student should not remove all the positive endeavours they have already displayed.

POSITIVE BEHAVIOUR FOR LEARNING – MERIT STEPS
The recording of these Steps – Bronze, Silver and Gold is the responsibility of the Year Advisor. Students will have their Merit sheets on which to record their merits.

The Principal's Award is for students on Gold Step who believe they warrant the receipt of this award. The student will need to submit a letter to the Principal outlining the reasons why they believe they are a worthy recipient of this award. It

DEMERIT STEPS
The demerit (negative) steps are the responsibility of the Deputy Principal. Classroom teachers, Faculty Head Teachers, Deputy Principal and the Learning Support Team will meet regularly to provide support for these students.

SCHOOL POSITIVE BEHAVIOUR CODE FOR LEARNING
The Condobolin High School Positive Behaviour for Learning is an agreed set of principles for the effective functioning of the school community. This code has been developed cooperatively by staff, students and parents. It applies to all members of the school community, teachers and students.
